Another Year Ends....

It has been kind of a prosperous year. The crossover dinner and board meeting at the home of Jim Gomes was an enjoyable evening with Jim being the perfect host. The decor was beautiful, warm, and comfortable. Also, it saw a full slate of officers and board members in place.

Our May auction brought in funds to see us through the year. We had only a handful of new people join our society. The monthly speakers make our meetings interesting. A highlight of course was the gold award trophy we won for the display at the Southland Show at the Huntington. Much ado of course, about the success of the Awards Banquet and Potluck.

Our P.O.T. plants were plentiful and the Judging tables were as well. December saw our 2011 Officers and Board Members approved by the membership. Let's all look forward to a great 2011.

COLOR YOUR WORLD

Orchid flowers range from purest white to nearly black. Yellow, orange and red are at their most beautiful in the family Orchidaceae, and orchid blossoms in shades of lavender, violet and purple are incomparable.
